## DIFFERENTIATED DOSAGE FORMS

Our focus on Innovation and Cost Efficiency has resulted in cutting-edge dosage forms designed for patient convenience and efficacy:

Tablet In Tablet

Bi-layered, Sustained Release Tablet in Tablet

Inlay Tablet

Multiple Tablets in Capsule

Enteric Coated Soft Gelatin

Taste / Odour Masking

Existing Tablet Smart Tablet

Gummies

Mouth Melting Powders in Sachet (No Water Required)

Tri Layered Tablet

## BUSINESS MODEL

We research new formulations, conduct bioequivalence studies, and clinical trials, obtaining Drug Controller General of India (DCGI) approval for manufacturing and marketing new Fixed Dose Combinations (FDCs) and molecules. Our Regulatory Alignment and strict adherence to global standards ensure clients receive the highest quality products.

Our business model emphasizes Agile Project Management, ensuring adaptability and swift execution in every phase, from formulation research to product delivery, enabling cost-efficient solutions and meeting evolving client needs.

Proposed Multidosage Facility

# ACTIVE PHARMACEUTICALS INGREDIENTS

## 15 APIs

Focused on beta lactams and cephalosporins!

## 3 Facilities

in Punjab and Haryana, designed as per WHO and US FDA standards

## 200+ Customers

## MANUFACTURING AND R&D FACILITIES :

**DERA BASSI**

- ◆ This unit is dedicated to the production of beta lactams and is equipped with six production blocks.
- ◆ With an annual capacity of 557 MT, this unit enables us to carry out complex multistep synthesis processes, meeting the high demand for beta lactam APIs.

- ◆ This unit is designed for the synthesis of a wide range of APIs spanning various therapy areas.
- ◆ This unit comprises three production blocks & has an annual production capacity of 180 MT.
- ◆ At this unit, we produce APIs across a broad spectrum of therapeutic categories.

**LALRU**

**BARWALA**

- ◆ This unit is a specialized small-volume, high-potency API manufacturing unit with an annual production capacity of 0.384 MT.
- ◆ This unit features a kilo lab scale pilot plant for experimental and development purposes and is dedicated to handling high-potency APIs with a high degree of expertise.

## Accreditations :

- QMS Certification Services Private Limited (ISO 9001:2015 and ISO 14001:2015)
- RIR Certification Private Limited (ISO 45001:2018)
- Food and Drugs Administration, Punjab

# Global Presence (Unosource – An Akums Enterprise)

- ◆ Through Unosource, our wholly owned Subsidiary, we market branded and generic medicinal formulations under our own brand names in 65 countries in south-east Asia, Africa.
- ◆ We recognize the potential for further growth across geographies and are focused on lesser-penetrated geographies such as Latin America and other regions such as Europe and the Middle East.
- ◆ We also aim to introduce products in acute as well as chronic therapeutic areas across markets in South East Asia and Africa.
- ◆ Our key clients include Allegens (Vietnam), Ambica International (Philippines), Caferma SAC (Peru), JDS (Myanmar), Master Pharma (Cambodia), Olainfarm (Latvia), Pharma Apex (Myanmar), Planet Pharmaceutical (Tanzania), and Unisel (Kenya), among others.
